* Prices shown are standard list rates. A 8% volume discount applies to any single line item with an order quantity exceeding 2,000 units, applied at the time of invoicing.

Quality Questionnaire Response

Q1. Are you ISO 9001:2015 certified for quality management?

Yes

Q2. Do you hold FSC or PEFC chain-of-custody certification for board sourcing?

Yes (FSC and PEFC)

Q3. What is your average manufacturing defect/reject rate, as a percentage of units produced?

0.25

Q4. Do you edge-crush-test (ECT) or burst-strength-test every production batch, only sample batches, or not at all?

every_batch

Q5. What percentage of recycled fibre content is used in your board?

40

Q6. Have you passed an Amazon Packaging Certification (APASS) or equivalent retailer packaging audit in the last 24 months?

Yes

Q7. What is your standard lead time, in days, for a repeat order of this size?

21

Q8. Do you provide a certificate of conformance with each shipment?

Yes
